MUSICAL AND DRAMATIC.

AT THE ACADEMY OF MUSIC Donizetti's opera of Lucrezia Borgia will be presented this evening, with Madame Gazzaniga in the title role. "Lucrezia" is one of Madame Gazzaniga's great performances, and as this is announced as her last appearance, there should be a large attend-The retirement of such an artist as this lady is an event of much interest, and the connection of Madame Gazzaniga with the history of the Philadelphia Academy of Music has been so intimate that some fitting testimonial of the public esteem should be tendered her. We are gratified to see that the proposition for a farewell benefit meets with general approval, and we hope that steps will be taken immediately to carry out the idea. This evening Madame Gazzaniga will be supported by Signor Susini, who has not appeared here for two years, by Signor Sarti, Signor Locatelli, and Mad'lle Frida de Gebele.

To-morrow evening It Barbiere will be given. and on Wednesday the season will conclude with Don Pasquale and the third act of Faust. MISS CARLOTTA PATTI will appear as the "Queen of Night" in Mozart's Magic Flute on the evenings of Monday and Tuesday, May 2 and 3, and at a matinee on Wednesday, May 4. Miss Patti has achieved a brilliant success in

this difficult role in New York, and has secured the most unqualified praise for her execution of the difficult airs entrusted to her. Joseph Hermanus will appear as "Sarastro;" W. Formes as "Papageno;" Mad'lle Pauline Canissa as "Pamina;" and Mad'lle Dzuiba as "Papagena." The sale of seats will commence on Thursday AT THE CHESKUT the burlesque of The Field

of the Cloth of Gold has proved so popular that it has been determined to continue it during the present week, after which it will be withdrawn for a new sensation entitled The Fair One in the Blonde Wig. This evening a number of new features will be introduced, including Miss Carrie Augusta Moore, "the Skatorial Queen, and the Leon gymnasts. The funny buriesque of The Boston Peace Jubilee will be continued.

ATTHE WALNUT Mr. and Mrs. Barney Williams will appear this evening in the romantic Irish drama of The Connie Soogah; or, The Wearing of the Green. This is one of the most popular pieces in the Williams repertoire, and. popular pieces in the Williams repertoire, and, judging from its success in past seasons, it will attract crowded houses this week.

AT THE ARCH Mr. J. F. Catheart will have a farewell benefit this evening, when he will appear as "Stephen Plum" in A U's not Gold that Glitters and as "Jack Freeman" in The Rop Ladder; or the Miser and his Man. Mr. Cathcart is a studious and conscientious actor, and he should receive the compliment of a full house on this occasion.

On Friday next Mr. Adam Everly will have a complimentary benefit, when Sardou's play of The Fast Family and the comic drama of The Spitalfields Weaver will be presented. Mr. Everly's friends will be glad to welcome him back to the scene of his former labors, and a full house may be expected on Friday evening. On Saturday Mr. Craig's annual benefit will

take place.
AT THE ELEVENTH STREET OPERA HOUSE an entire change of programme is announced for this evening. Among the novelties to be presented are the burlesques of Dr. Schenck's Laboratory, Den I was Gone, and The Coopers; or, the Mysterious Cask.

AT DUPREZ & BENEDICT'S OPERA HOUSE the attraction this evening will be the doubleenders. Hughey Dougherty and Lew Benedict will operate the tamborines and Charley Rey-nolds and C. Gleason will preside over the bones. F. B. Naylor, the balladist, will also

THE PANORAMA OF "THE PILGRIM" enters upon its twelfth week at Concert Hall this evening. The exhibition has been remarkably successful, and the hall has been crowded to its utmost capacity every evening. This evening the Eastburn Mariners' Bethel will have a benefit.

MR. THUNDER announces a performance of Rossini's Messe Solennelle as the main feature of his concert to be given on Friday evening next at Musical Fund Hall. This work will be given with a chorns of fifty voices, and the sole parts by well-known artists. The concert will com-mence with a quintette by Beethoven. Seats can be secured at Roner's, No. 1103 Chesnut Street, on and after to-day.
SHERIDAN'S KIDE.—This picture continues to

attract a great number of visitors to the Academy of Fine Arts. The exhibition is made more interesting by the reading of the poem by Mr. J. B. Roberts. This gentleman is one of the most accomplished elocutionists of the day, and his splendid rendering of Read's fine lines every morning and evening has added greatly to the popularity of the exhibition of the picture. This week the exhibition will be for the benefit of the Lincoln Institute, and we hope, in view of the deserving object, that those who have not yet seen the picture will make it a point to do so now, and aid in increasing the receipts. Mr. Roberts will deliver a brief lecture on the battle of Cedar Creek and recite the poem each day at 12 M. and 4 and 9 P. M.

SOMETIMES A COLD WILL NOT VIELD TO ORDINARY REMEDIES, because of the severe inflammation of the delicate lining of the tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, bectic fever, and a spitting of blood, matter or phlegm, finally exhausting the strength of the patient, and developing very serious disease. Dr. Jaynes' Expectorant seldom fails to remove these symptoms by relieving the lungs of all obstructing matter, and healing all sore-208. Pleurisy. The University Medicines are prepared in consonance with the views of a number of distinguished living American Physicians, who believe that the time is come when educated Physicians should arise and make a decisive effort to everthrow the health-destroying system of Quackery prevailing in every town and city, and substitute SCIENTISIO RESPONSIBLE REMEDIALS, in pixel of the worthless or dangerous Patent Medicines flooding the country.

SCHENTISTO RESPONSIBILE REMEDIALS, in place of the worthless or dangerous Patent Medicines flooding the country.

These remedies are propared by the newly discovered Chemical process of Professor Scott, termed STRAM FILTRATION, by which the entire Active Principle of any herb, drug, or chemical is thoroughly surracted, and its curative properties increased a fundred fold over those made in the ordinary masner.

They are standard, most of the ingredients constituting them having been eased by the physicians of the University in their private practice, for more than twenty years.
